Cherry blossom conflict

Sakura wakes up. Her phone was ringing. Taking her phone she answers. Sakura was up all night reading book after book and finally sleeping at 3:00am. Waking up at 7:00 is a bad idea. "Who is this?" Sakura ask yawning.

"It is me you friend Ino...don't tell me that you stayed awake over 12:00pm again?" Ino yelled at Sakura on the phone continuing "I swear you are such a bookworm no wonder you don't have a boyfriend but it is a good thing that you have me, Tenten, Temari and Hinata with you and because of that we made a perfect plan for you" Sakura snapped open her half sleepy eyes. Whenever Ino Tenten and Temari (Hinata only follows and watch shy to say anything which did not help Sakura at all!)Are together making plans most of the plans are impossible to follow for Sakura. Or really, really, REALLY BAD

"What did you do?" Sakura said panicking but the phone call turn off and the door to her house open knowing by the sounds. Sakura knew it was a bad idea to give the spare keys to Ino. Sakura looked at her room panicking. She quickly jumped inside her wardrobe closing its doors hoping that they will never find her.

The door to her room opened. Temari was first to come in then is Tenten, Ino and Hinata. Sakura slowly backed away not liking where this is going. But she back out to much that she hit the boxes that were behind her making sound.

Sakura gulped looking back at the boxes. Then at the wardrobe door which is now opened. "What are you doing inside there, Sakura-chan" Ino said smiling continuing "did you want to play dress up? Can we

play with you?" Sakura is shaking in fear while they come closer to her.

"What did you do this time?" Sakura ask again nervously. She was tied with a corset. Apparently Tenten forgot to bring a rope so they use Ino's extra corset to tie her up. Temari smirk answering Sakura question "we have just gotten a blind date for you." Sakura eyes widen they wouldn't. Temari's smirk widens looking at Sakura's face and continued saying "and he is one of the popular boys at school!" Sakura face was going white, she didn't exactly hated boys but the idea of dating is something she wanted to do when she is older. And the fact that she will be blind dating with one of the popular guys at school still did not go through her brain. Just imagine how many fan girls she must deal with if that happens.
